Chart Legend:

ND. Institution does not have a baccalaureate degree in this area.

UR. Under internal review by institution. Indicate stages of review required for approval.

NA. Not accepted. Institution offers baccalaureate degree in this area, but conducted internal review and decided not to accept this degree.

CA. Conditionally accepted. Transfer student can be admitted to program, but is required to meet additional requirements, such as specific IAI GECC courses, before entering on same standing with native students.

FA. Fully accepted. Transfer student enters as a junior with same standing as native student. No conditions placed on student or extra courses required.

Note: An Institutional Profile has been created for each senior public institution. This profile contains the following elements of additional information provided by each institution: total credit hours for each degree, credit hours to finish, best start date and information on how to access a template for each degree having template. It also contains contact information for the following persons: survey respondent, chief academic officer (CAO), articulation coordinator and the primary curriculum contact for each of the four AAT Degree areas.

*** The Institutional Profile also contains any comments provided by the institution re: conditions of acceptance, dates by which internal reviews are estimated to be complete, etc.**

Comments/Clarifications:

***Students must have a cumulative GPA of at least 2.75/4.00 and at least 2.75/4.00 in their content area. In the Intro to Ed course, a maximum of 25 clinical hours will be accepted toward the 50 clinical hour requirement. Supporting documentation must be provided including a copy of graded disposition form, clinical timesheet, college and cooperating teacher assessments. In addition, students will be expected to complete all required coursework including on-line journal and Teacher Work Sample selections for the Lewis University course. If the student chooses to earn the middle school endorsement, they must complete the required middle school endorsement courses including Characteristics and Development of the Adolescent Learner and Curriculum and Instruction in the Middle School.**

General: Lewis University accepts students with the AAT degree as they would any other student with an Associate of Arts degree from a community college. This means course by (course) articulation with the major noted on the student's application.
