

| | A | B | C | D |
|---|-----------------------------|--|--|--|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 2 | Black Hawk College | The verification of the IAI GECC is noted on a student's transcript when they request it. | The individual IAI course number is not shown on the transcript. It is shown in the course descriptions in the catalog. | Their degree is noted on the transcript. |
| 3 | Carl Sandburg College | We will do so if student is not completing an entire degree but only if the student requests us to do so. | It is in the course description but not on the transcript. | Evaluate the transcript using our catalog's course descriptions. If they have an AA or AS, the students will have completed the GECC. |
| 4 | College Of DuPage | We have a statement that is posted on our academic transcript when a student has completed the GECC. We include this notation for students who complete the GECC with courses taken at COD or with courses taken at both COD and courses transferred in and accepted from IAI participating schools. | On our academic transcript, we have a code that follows COD IAI approved courses to indicate that it is an IAI/GECC course. | Your advisers will be able to determine if a student meets the IAI with the statement listed at the beginning of our transcript |
| 5 | College Of Lake County | We post the IAI GECC on the transcript at the student's request. (see page 48 of the current catalog | The IAI number is included on the transcript and is also printed in the catalog at the end of the course description | If it's not posted that they completed it, the only way for them to determine it is to actually do a check themselves, or advise the student to come back to CLC and request it. |

| | A | B | C | D |
|---|-----------------------------|--|--|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 6 | College Of Lake County | completes a request for Illinois Articulation Initiative Audit and submits it to the Admission and Records Office at CLC. Often, though, students may not know about the form unless they are working with a counselor and the counselor advises them that it may be to their advantage to use the IAI for the general education core. | The IAI course numbers follow the IAI courses on the transcript and follows the course descriptions in the college catalog. | If is is indicated on the CLC transcript via the process described in answer to your first question. |
| 7 | Daley Community College | Daley College does not currently indicate the IAI/GECC on the Daley College. | We do indicate the IAI course indicator on the Daley College transcript. | Regarding the De Paul advisors determination of IAI/GECC completion, I would recommend that the advisor review the transcript course by course until our system can indicate the IAI/GECC completion on the Daley transcript. |
| 8 | Daley Community College | Richard Daley college does not indicate that IAI/GECC has been completed on student's transcript. | Richard Daley college does not indicate that IAI/GECC has been completed on student's transcript. | No, only it indicates IAI on each individual course. |

| | A | B | C | D |
|----|---------------------------------|---|--|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 9 | Danville Area Community College | IAI/GECC is stamped onto the transcript | Courses that are approved IAI indicate that in the course description, which is also found in our course catalog. | no remark |
| 10 | Elgin Community College | we will stamp the transcript of any student who requests it. Most students do not know to request it, and our degree audit system is not set up yet to recognize that the core is complete. If a student brings a full AA or AS to you, then the core | Our course descriptions in the catalog indicate if the course meets an IAI general ed IAI approved courses are not indicated | All the general ed courses in our transfer degrees: AA and AS, are IAI-approved. So an advisor could consult our catalog to see if the course was considered general ed for our transfer degrees. |
| 11 | Frontier Community College | The GECC is noted on a student's transcript. | individually. Course descriptions include an IAI number. | It will be noted on the transcript. |
| 12 | Harold Washington College | IAI/GECC is not indicated on the transcript. Only after each class taken and successfully completed is the IAI designation listed. I have not seen the new transcript layout so I am not aware of how it will look in the near future. | As stated, the IAI number is listed on the transcript. | At present a College Advisor or Counselor from DePaul would need to have an understanding for the requirements needed to obtain a degree from HWC and after reviewing a transcript that shows the IAI equivalency then move to accept credit toward GECC. |

| | A | B | C | D |
|----|-----------------------------|---|--|--|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 13 | Harold Washington College | To date, our institution does not indicate on the transcript or any other document that a student has completed the IAI/GECC. | IAI courses are indicated on the transcript. | This is a very good questions. One that I do not have a solid answer to, but only to say that IAI courses are identified on our transcript. This is something as an institution that we need to look into. We are starting our BANNER |
| 14 | Harper College | Here at Harper once a student completes the IAI GECC their transcripts is stamped. | Currently individual courses however do not have the IAI notation on the transcript. | implementation and are hoping to be able to change that in the future. The IAI GECC is also imbedded in our AA and AS degree so any student that transfer with their AA or AS completed has also completed the IAI GECC. |

|----|-----------------------------------|---|---|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 31 | Lake Land College | Yes. Completion of the IAI/GECC is indicated on our transcripts. | The transcript does not indicate specific IAI courses. However, our catalog and online course description include the IAI number for any IAI courses. | Any student receiving an AA or AS will have automatically completed the IAI/GECC. Additionally, completion of the GECC will be indicated if the student did complete the GECC and not the entire degree. |
| 32 | Lewis And Clark Community College | Yes, at Lewis and Clark Community College we will post the GECC specifically if requested. | No, we do not mark the classes on the transcript. | The IAI codes are listed in course descriptions which are available online or in the catalog. Keep in mind that the GECC is embedded in our AA and AS (transfer) degrees. |
| 33 | Lincoln College | Yes we do. It is put in the details in the semester that it is met. "IAI compliant" is the wording. | In the catalog, not on the transcript. | When the IAI package is completed that is noted on the transcript, and individual courses are noted as IAI in the course catalog. |
| 34 | Lincoln Land Community College | Lincoln Land does not note on any document (including transcripts) that the IAI/GECC has been completed. | We do not indicate on the transcript if a class is IAI approved, but the IAI code is shown at the end of each course description in the LLCC catalog. | completion of the IAI/GECC on their transcripts. Transfer students must complete IAI general education courses to fulfill our LLCC degree requirements with few exceptions. If they transfer coursework in from out of state or they have gaps in their education/are under an old catalog, we just evaluate external coursework for LLCC equivalencies and "take it from there". |

| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 45 | Oakton Community College | No...we do not currently notate on the transcript if the student has completed the IAI. That is an area we will be addressing now that we have completed our Banner implementation. I hope, in the near future, to begin notating this on the transcript. | The IAI notation is in the catalog description. That is available both in printed form and on the college web site. | Registration and Records can generate a letter that verifies that it has been completed and will include it with the transcript if the student requests it. If you receive a transcript and the letter is not included, you should just ask the student to contact Oakton and request one. |
| 46 | Olive Harvey College | | | |
| 47 | Olney Central College | We only indicate if it has been completed, we do not indicate if it has not. | Not on transcript, but the catalog has the IAI number. | It would be on the transcript. There could be instances where it is completed but student has not graduated and the student must then request that their transcript be evaluated to determine if the IAI has been completed. |

| | A | B | C | D |
|----|-----------------------------|---|--|--|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 48 | Parkland College | have a box to check if a student began college in the Summer of 1998 or not. If so we check here but if the student is using out of state credit we write N/A. Basically this is our way of letting whomever posts the degree know that the student meets the GECC requirements. While posting the degree we have a place to check (special honors) and along with the degree posting a sentence appears on their transcript that states: COMPLETED ILLINOIS TRANSFERABLE GENERAL EDUCATION CORE | The only way to tell if a student took an IAI course would be in our catalog. We have two pages that list all our IAI courses. One can find these IAI numbers in the course descriptions as well. We do not indicate IAI courses on our transcripts. | Students who complete the GECC through graduation can be identified by the above stated sentence that appears on their transcript. Students who have not graduated but have completed the GECC can Petition to Certify that they have met the GECC and we will put that sentence on their transcripts as well. *They can use the IAI notations on the transcript. They are also welcome to contact our Transfer Coordinator Sarah Hein at shein@prairiestate.edu or 708-709-3508 if they need more information. |
| 49 | Prairie State College | Yes, it is noted upon completion of an AA or AFA degree. | Yes, if the course was completed after 1998 when IAI came into existence. | If they've completed the associates that is the easiest way to determine whether IAI is completed, it may be indicated on the website as well. |
| 50 | Rend Lake College | Yes on the transcript when the degree has been completed. | Only when the degree is completed, but the catalog shows the IAI number next to the course. | |

| | A | B | C | D |
|----|-------------------------------|--|---|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 51 | Richland Community College | No, we don't put it on the transcript. | Yes in the course description and on the schedule. | No, it was our hopes that it would be on the transcripts but it hasn't gotten there yet. You can look at the transcript and see how many credits were earned that are part of the IAI/GECC. |
| 52 | Rock Valley College | We list GECC on the bottom of the transcript | On the transcript next to the course it has the IAI number | |
| 53 | Sandburg College | | | |
| 54 | Sauk Valley Community College | Sauk valley Community College marks the student transcript with a note that the IAI -GECC has been met (noted above transcribed coursework and below degree awarded). <i>when our students request a</i> | Individual courses have the IAI code noted in the course description but not on the transcript (course would also be listed on the iTransfer website under SVCC GECC approved courses). | Advisors would need to reference the transcript for GECC indicator. |
| 55 | Shawnee Community College | transcript, they have the option of having an IAI GECC notation on their transcript. Honestly, students don't request this very often. If our students complete the AA or AS, the IAI GECC has already been met. | There is not an indication on the transcript if the course is IAI approved. It is noted in our course catalog in the course description. | If our students complete the AA or AS, the IAI GECC has been met. |
| 56 | South Suburban College | Yes we stamp it on the transcript regardless of whether the student completes the associates. | Yes, both the transcript and course description. | It is indicated on the transcript. |
| 57 | Southeastern Illinois College | | | |

| | A | B | C | D |
|----|-------------------------------|--|---|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 58 | Southwestern Illinois College | Yes we stamp it on the transcript whether they request it or not. | All IAI codes are noted on the course descriptions in our catalog | It is indicated on the transcript. |
| 59 | Spoon River College | When a student completes all IAI/GECC it is indicated on the official transcripts | All IAI codes are indicated on course descriptions in our catalog. | This will be indicated on the transcript. |
| 60 | St. Augustine's College | | | |
| 61 | Triton College | Triton College posts a message on student transcripts when they complete the IAI gened package. This should make it easy to identify those students who meet your geneds. Additionally, each IAI gened course on a students transcripts also includes the course's IAI code. IAI course codes are also noted in the course descriptions in the Triton College catalog. | Perhaps more important than determining whether a student has completed the IAI core at the time an advisor is talking with a potential student is finding out if the student PLANS to complete the core. Often times, students come back to us to say that the advisor at DePaul told them they need (several) additional courses at DePaul because at the time of the discussion, the student had NOT completed the core but was in the process of completing it. The difference between a completed core (or a potentially completed core) and meeting the DePaul geneds can be several additional | Finally, when a student completes classes after the initial transcript evaluation, the new evaluation should include not only looking at the coursework completed since the initial evaluation, but should also be checked to see if the student's staus has changed from a non IAI core completer to someone who has completed the core. |
| 62 | Truman College | At the current time we do not indicate on the transcript if the student has completed the IAI/GECC. | If the students takes an IAI course, it is NOT indicated on the transcript or course description that it is an IAI approved course. | On pages 71, 72, 73 of our catalog is the list of Truman courses that are IAI approved. The listing shows the Truman course number on the left and it's IAI designation to the right of the course name. |

| | A | B | C | D |
|----|-----------------------------|--|---|---|
| 1 | Illinois Community Colleges | Does your institution indicate that the IAI/GECC has been completed on a transcript or any other document? | If a student takes a course that is an approved IAI course, is it indicated on the transcript or in the course description? | How should DePaul advisors determine if a student from your institution has completed the IAI/GECC? |
| 63 | Wabash Valley College | Yes it is printed on the transcript. Statement is "IAI Gen Ed Core Met" with date. | Just in the course catalog. | The statement on the transcript is the guarantee. There are students that transfer credits in from outside Illinois and get a degree from us but they might not have met the IAI because some credits came from out of state. |
| 64 | Waubonsee Community College | Yes it is printed on the transcript. Since we have moved to the Banner system, IAI/GECC is not automatically placed on the student's transcript. The student should make a request in the A&R office for review and posting. | It is not indicated on the transcript on a course-by-course basis, but it is stated in the course description (in the catalog and online) if the course is IAI. | The advisors can check the student's transcript. |
| 65 | Wilbur Wright College | | | |
